August 31, 2022

NEWTON, Mass.--(BUSINESS WIRE)--Aug. 31, 2022-- *PEOPLE* magazine and Great Place to Work have honored Bright Horizons (NYSE: BFAM) as one of the [2022 PEOPLE Companies that Care](#), ranking 18 on the list. This is Bright Horizons' second time being named to this prestigious list. The Companies that Care® list highlights the top U.S. companies that have succeeded in business while also demonstrating outstanding respect, care and concern for their employees, their communities and the environment.

"At Bright Horizons, caring is embedded in our culture. At our core, we are a company of people serving people," said Bright Horizons Chief People and Inclusion Officer Felicia Robinson. "We are thrilled that our dedicated employees are being recognized for their care and support for one another and the communities we serve."

The Companies that Care list is highly competitive. Great Place to Work, the global authority on workplace culture, selected the list using rigorous analytics and confidential employee feedback. Companies were only considered if they are a [Great Place to Work-Certified™](#) organization.

Great Place to Work is the only company culture award in America that selects winners based on how fairly employees are treated. Companies are assessed on how well they create a great employee experience that cuts across race, gender, age, disability status, or any aspect of who employees are or what their role is.

"Caring isn't about being 'nice,'" says Sarah Lewis-Kulin, vice president of global recognition at Great Place to Work. "It's about understanding the real needs of your people, of your community and of the world—and showing up in ways that make a meaningful impact. These companies make that kind of caring for people, and even the environment, part of their daily fabric."
